

## DROP WIRE MODULE 10 PAIRS

**LINK** Drop wire Module designed for drop wire cable with a small conductor and overall diameter can be connected

### Specification

Connection of plastic insulated copper wires and significantly stronger over head cable

- Housing Material : PBT (Thermo-engineering plastic)  
UL94V-0 flammability self-extinguishing
- Color : Grey
- Dimension (WxHxD) : 134 x 62 x 34 mm.

UL-8803 TOOL for DROP WIRE MODULE only

LINK P/N	Description
UL-4511	DROP WIRE MODULE 10 PAIR

## HINGED LABEL HOLDER

**Plug-in** module, hinged with clear cover and paper lable. (size : 103 x 11 mm.)  
For labeling each pair or the module

### Specification

- Dimension (WxHxD) : 107 x 16 x 13 mm.

LINK P/N	Description
UL-4631	HINGED LABEL HOLDER

## LABEL HOLDER

**Mount on frame** with clear cover and marking strip (size : 96 x 17 mm.)  
For identify Column or Group

### Specification

- Housing Material : PBT (Thermo-engineering plastic)  
UL94V-0 flammability self-extinguishing
- Dimension (WxHxD) : 108 x 24 x 21 mm.
